

## Shipping Information

All prices are plus shipping and handling . We ship anywhere in the U.S. Most locations deliver within 1 to 5 days. We can have a price on shipping within 24 hours.

Delivery to most cities in U.S. is \$ 400. to \$ 500. per unit

The dance cages are shipped K.D. It takes less than 1 hour to assemble your dance cage. You only need a screw gun to assemble the unit. The base comes assembled, you insert the bars into the holes, slip the lid over the bars tighten some set screws, and your halfway done. Attach the counter tops and brackets plug it in and your ready to go.

Club Components Sales Policy:

Club Components works with customers to supply the right sized unit that will fit their application. However the ultimate responsibility is the purchasers to order the correct unit for their application.

All Dance Cages have been engineered and field tested for extreme use. However once they leave our facility, we cannot control proper use. Cages have been tested for 2 to 6 dancers inside, on the dance floor. Within this range, the units will give maintance free use. However due to the spontaneity of the club environment we cannot provide any guarantee other than it will be shipped and delivered in good and operable condition, for it's intended purpose.

Sorry, there is no refund on canceled orders for any reason. All sales are final.

The order process is as easy as 1, 2, 3
