

## Cage Overview

How will these Dance Cages increase revenue ?

- Dance cages bring customers back sooner
- Customers stay longer
- Girls go out in groups to be seen and have fun
- Where the girls go the guys follow
- Our dance cages provide entertainment like a DJ, only free
- Our dance cages are less intimidating and safer, but each chrome bar becomes a stripper pole
- Guys enjoy buying drinks for cage dancers
- Our dance cages provide bar space and seating
- Cage dancers raise the energy level in your club
- Bachelor and bacheloret parties love our dance cages
- At special events bar staff can sell beer from the elevated platform

Why are Dance Cages so versatile ?

- The dance cages can be placed where you want to move the crowd
- The dance cage is self contained, the only requirement is a 110 volt outlet
- The dance cages are free standing
- The dance cages raise the cage dancers above the crowd. The girls love being seen and the guys love the scene
- Girls are compelled to dance in our dance cages

Why are our Dance Cage so unique ?

- The inside foot rail is no accident, it was engineered for comfort and maximum effect
- All Dance Cages are designed for 2 to 6 cage dancers. Two girls dancing in a confined space is a crowd pleaser
- Cage dancers can enter and exit all night long without assistance

The wrap around bar brings patrons up close to the entertainment  
Our dance cages are engineered for extreme high use
